MEET OUR COCKTAILS

Inspired by Chinese medicinal heritage, each of our signature libations were designed to bring together the flavors produced from centuries of trade along the silk roads. From Indian vodka to Hong Kong style milk tea, from Filipino rum to Korean rice wine, from Fujianese jasmine to Taiwanese whisky, every drink we pour from this menu is just as mixed as we are.

*If you have any food allergies, please inform your server so we can best accommodate you.

BAIJIU COCKTAILS

Baijiu 白酒 (literally: white liquor) is a clear Chinese spirit that can be distilled from any type of grain, but usually sorghum.

Depending on what region it comes from and how the grain is steamed, fermented, distilled, aged, or blended, you may come across notes of fruits, grass, spice, or sauce.

But as we see here, baijiu proves to be adaptable in a wide variety of combinations from pungent, savory, sweet, sour, and bitter. Each libation on this part of the menu represents one of the five primary flavors of Chinese cuisine, using a unique baijiu of the Sichuanese “strong aroma” category as a canvas.
